Dr. Dumont moved to dismiss the complaint. Dr. Sacchetti seconded the motion, which passed 6-0-0-3 with Dr. Gleaton, Dr. Barnhart, and Mr. Ross recused.

MOTION: This complaint is based on concerns about the physician's prescribing practices. An extensive review of multiple charts occurred and the Board subsequently

asked the physician to obtain further knowledge on the management and documentation of prescribing controlled substances. The Board now commends the physician for the improvements she has made in caring for her patients.
